Message From District Governor Corinna Christensen February 2026

"Leading with Heart: Service, Empowerment, and Community"

Dear Lions, Leos, and Community Partners,

February is a month where compassion takes center stage. As Lions, we continue to lead with heart—empowering others, uplifting communities, and embracing new opportunities to grow. With the year well underway, now is the time to deepen our impact through meaningful service, strong partnerships, and inclusive leadership.

This month, let's channel our energy into impactful **Service Activities** and align our goals with Lions International's global themes as well as the needs of your community. Whether you're organizing a local food drive, vision screening, or planning a Service Carnival, your work changes lives. Remember to plan for the third and final **Lions International Week of Service** on April 18-26 with focus on the environment. More information can be found at <https://www.lionsclubs.org/en/member-resource-center/service/global-causes-initiatives/weeks-of-service>

Leadership in Action

- February is also a time to mentor and empower new leaders. Consider:
- Recommending Lions for leadership training
- Supporting potential Leo Advisors and Leos
- Promoting establishing New Lions Clubs or Lions Club Branches where you see a need
- Leadership doesn't begin with a title. It begins with a willingness to serve.

Save the Date: March 8, 2026

In celebration of **International Women's Day**, Lions around the world are invited to participate in **She Leads – A Global Lions Symposium**. This virtual event will bring together Lions, Leos, allies, and change-makers to empower women in service, share leadership strategies, and strengthen global inclusion and collaboration within our organization.

The symposium will begin at 7:00 AM Montana Time and is open to all members worldwide. Registration details and access information can be found through the Montana Lions District 37 website at <https://www.montanalions.org/2026/01/27/she-leads-global-lions-symposium-march-8-2026/>. Personally, I will be having a watch party with many of my Lady Lion Friends. Please join us either in person or virtually.

Save the Date: District 37 Convention

Be sure to **register for the upcoming District 37 Convention**, to be held in beautiful **Columbia Falls on April 17-18**. This is a fantastic opportunity to:

- Learn what your neighboring Lions Clubs are doing
- Get updates on Lions International initiatives
- Attend the popular "Speed Learning" session, which will be back this year

Check it out and register at:

President's Message Lead to Serve, Serve To Lead with International President A.P. Singh

February 2026

Dear Lion,

As a Lion, you are a leader in your community. Your belief in service and your desire to make a difference — both at home and around the world — are what inspired you to become a Lion. Every project you begin and every role you take on is an act of leadership that strengthens our entire association. And every person you invite helps us reach our *MISSION 1.5* goals and do even more good for the people who need us.

At this midpoint of the Lion year, now is the perfect time to reflect on how you can continue to be a force for positive action in your club and beyond. Show those around you what it means to succeed — and what it means to be a Lion.

Together in service,
A.P. Singh, International President

We Are A Community

Mostly, Montana Lions clubs live within their own world. However, we are joined together in International Lions District 37. We have a chance to meet other lion members at our district convention each year.

I Ask the question “Is this enough?” What can be gained by getting together more often? Lion clubs have a basic structure and motto “We Serve”, and another “Where there’s a need there’s a lion”.

As I have visited clubs I noticed the similarities and differences. My next question is “can we help each other be all we want to be?” By visiting other clubs, you might be introduced to great ideas from recruiting new members, service ideas, resources and more. You might be able to receive guidance on issues your club is dealing with. Will you visit a neighboring club?

Another way to interact is to invite a neighboring club to share a function, NOT A MEETING. A pot luck or a program of Lions endorsed projects or information from a knowledgeable person or persons about an issue that is related to our mottos or another issue in your community.

“Together we will overcome” has become a catch phrase that has been used in recent times when communities have been impacted by an adverse event. This is a way to connect a wide cross section of the community toward solving the situation they find themselves in and moving forward together. “Stronger Together!”

Why do we wait for trouble and not start before disaster has occurred or is knocking at our door? This must be our humanity some would say. Why wait, when sharing and asking for help could prevent a troublesome journey? Too many questions you might say. My response would be to overcome your embarrassment of nonaction and ask for help.

I challenge every Lion member and club to participate in getting to know one another so we can overcome whatever we want to achieve as a person and as a club. A relationship first makes asking easier and with better results. Let us commit to getting to know one another, member or club, to make each of our clubs and our district the best we can be.

I look forward to members and clubs reporting how getting together has made you and your Club stronger and more successful in whatever you and your clubs pursue.

February 2026

Clubs of District 37, have you had a chance to look at your community and see what it's needs are? One of our Clubs did. Fairfield did and they found that they needed help with their food bank to improve their ability to help feed the needy in their area. Not having the finances to do what was needed, the Club applied for a Hunger grant through LCIF to help achieve their financial goals.

I am proud to let everyone know that their grant was approved for \$77,614.00! What could your club do for your community with that amount of money?? All you need to do is **LOOK** and **APPLY**.

There are so many different areas that you can apply for a grant. If you need more information, contact your LCIF Chairperson. We can come and visit with your club and maybe start that process. LCIF wants to **HELP** and so do Mike Tobin and Lary Garrison, your District 37 Chairpersons.

February 2026

UNDERSTANDING DISTRICT 37 DUES FOR 2025-2026 LIONISTIC YEAR

District 37 will issue its annual dues invoices this month (see article below on the process). This is a good time to clarify how dues work at both the district and international levels, since the structure can feel complicated if you do not see the entire system at once.

District 37 Dues: \$25 Per Member

Every Lion in Montana is assessed \$25 per year to support the work of District 37. This figure is based on the official Lions census as of November 30, which means that clubs are billed according to the number of members recorded on that date.

District dues fund the administrative and operational needs of the district itself. This includes officer training, communication, compliance, and the support systems that help clubs function. District 37 covers only the clubs inside the borders of Montana. The district tries to strike a balance between being frugal and being able to deliver the support expected of us.

Lifetime District Membership Option

Clubs and members sometimes ask about a permanent, fixed-fee option. Like Lions International, District 37 does offer a lifetime membership, priced at 10 times the annual dues, which is currently \$250. Once paid, no future district-level dues are assessed for that individual.

All other members simply remain at the standard \$25 annual rate.

International Dues: How Regular Lions Are Billed

At the Lions Clubs International level, Regular members pay \$50 per year. LCI splits this amount into two equal charges:

- \$25 on July 1
- \$25 on January 1

This covers the full Lionistic Year (July–June).

LCI also offers several reduced-rate categories, including:

- Household Membership
- Student Membership
- Leo-Lion Membership
- And a small number of additional classifications

These categories each carry different dues amounts or discounts.

If your club needs the current proration guide for LCI dues, LCI provides a detailed table here:

<https://www.lionsclubs.org/en/v2/resource/download/79863852>

Why Dues Matter

District dues and international dues each support different parts of the Lions organization. LCI dues support global operations, insurance, program development, and international administration. District dues support Montana-specific leadership, training, and coordination. Both levels are necessary for Lions to deliver service and to maintain the shared infrastructure that makes Lions service possible.

PID Fellowship: The PID Dave Hajny, PID Tom Lehman, PID Gary Tschache and PID Ben Apeland Fellowships are now available. The fellowships recognize the contributions to Lionism made by PID's Dave, Tom, Gary and Ben. The new fellowships are a great way to provide recognition for a deserving Lion. Fellowships can be purchased for five hundred dollars (\$500) to the Montana Lions Sight and Hearing Foundation.

Life Membership: A Life Membership to the Foundation, which includes a lapel pin and pocket card can be bestowed by an individual, group of individuals, Lions Club or can be purchased by an individual with a donation of one hundred dollars (\$100) to the Montana Lions Sight and Hearing Foundation.

Memorial or Honorarium: Remember a loved one or honor that special person by donating to the Foundation. What better way to remember or honor someone than having your donation live in perpetuity? Your Memorial or Honorarium donation is never spent; only the interest earned on these assets will be used to further the purpose of the Foundation.

Club Contribution – CHANGE as of January 1, 2025

For over eight years, the Montana Lions Sight & Hearing Foundation has not made any changes to the club contribution towards applications. However, due to the increase in the cost of hearing aids and other services over that time, the Montana Lions Sight & Hearing Foundation voted at the January board meeting to increase all club contributions towards applications *from \$200.00 or 10% of the total cost, whichever is greater to \$300.00 or 10% of the total cost, whichever is greater.*

Thank you for your continued support of the Montana Lions Sight & Hearing Foundation.

Some of our Plus Optix S12 users have had issues with batteries so I wanted to send a reminder to all:

The correct battery for the S12 is Eneloop, part number #BK-3MCDA8BA. They can be purchased on Amazon. Batteries should be changed out every two years and it is also important to NOT use old batteries with new batteries. Finally, NEVER use non-rechargeable alkaline or lithium batteries! The Billings Heights Lions recently made a \$100 donation to the Lockwood Lions Jr. ROTC for their upcoming competition in Salt Lake City, Utah.

SEELEY LAKE LIONS Giving Thanks

At a time when families are planning for the holidays with lavish meals and relatives traveling to be with one another, not everyone is as fortunate. Some families wonder if they will see relatives or what kind of meal they will have. One of our own members, Lion Cory, who owns Cory's Valley Market here in town, each year, puts together food baskets to be distributed to those less fortunate. In the baskets will be either a turkey or a turkey breast, complete with stuffing, vegetable, milk and of course a pumpkin pie!

Lions Celebrating Christmas Seeley Style

Christmas would not be the same if it wasn't for a Christmas Party with the Lions! This year was a little unusual dealing with adverse weather conditions. Just a day before the meeting we were hit with a violent wind and ice storm that left most of the town without power. Crews from Missoula Electric Cooperative worked round the clock to take care of families in the dark.

Unfortunately our hall where our meetings take place and all the decorations had been set up was without power for several days. We had to wait it out but they came through for us and had the hall up and running in a few days. So we rescheduled and had about 35 members show up with all the small finger foods, hors d'oeuvres, and desserts to make this a festive party. We had an ugly sweater contest and a White Elephant gift exchange. Of all the many good things I can say about this club is we have fun and I am proud to be their president.

1. Call to Order by DG Corinna Christensen at 9:02 AM
 - a. Pledge of Allegiance
 - b. Invocation: Lion Peggy Tobin
 - c. Introductions – Participants introduced themselves and what role they have in Lions
 - d. District Governor – The DG's have been burning up the highways (see attached club visitation report)
2. Minutes – Peggy asked if there were any changes to the minutes. Dan moved to approve the October 18th, 2025 minutes as distributed. Steve seconded the motion and it passed unanimously.
3. Financial Reports: Steve noted in his email that the financial reports as of December 31, 2025 noting that he invoiced \$37,750 in dues to clubs, including \$200 held over from dues owed from last fiscal year. Some paper invoices have been mailed (prioritizing clubs that have officers without emails first) and the rest are in the process of being sent out. My thanks to the clubs that have already submitted their dues payments. As of January 7th, the District has transferred \$1,516 from our general fund to the Friendship Committee per the policy of \$1 per member in the District. Steve said that the electronic system has been well received. Some clubs still paying by check which is fine. Mike T moved to approve the financial reports and motion was seconded by Dan. The motion passed unanimously.
4. Additions to the agenda are noted in Item 8 below
5. Officers Reports
 - a. DG/VDG's – Club Visitations – see attached report. Corinna reviewed the clubs that went into status quo – Culbertson and Whitefish. Discussion followed regarding how many clubs do service vs fund raising. Corinna noted that other clubs have asked how to get admin money. Peggy provided an example from the Sunburst Lions – serving meals at events being put on by a local insurance agency and a tri-county quilt guild. Gary noted that his club visits were really fun. He has completed all of his visits except one scheduled for the spring.
 - b. Administrator's Report – Peggy reported that she had the Leo Club forms added to the website per IPDG Raleigh's request at the October cabinet meeting. After discussion with PID Ben, the dates on the Hall of Fame page were updated. She also completed the mid-month 2025 convention reports in December. Peg noted that club news is starting to come in from clubs that have never sent in articles before. One example was the Missoula club for their Christmas tree sales.
 - c. Zone/Region Reports – Rob noted that he hasn't done a lot since Thanksgiving. Corinna wanted to know what a better time for her zone chair meetings. She will send out an email to try to revitalize that effort.
 - d. Committee Reports
 1. GET- no report.
 2. GLT: Mike C – we will have zoom club officer training soon. Mike would like to step down from this role. Corinna asked Lary if any of the retired teachers in Billings Heights and the one active member is teaching part time-Lary will ask him.

3. GMT: Rob noted that he's still working with Missoula. Seeley Lake lost 7 at year end. Kalispell noon club reflects 10 members. Mike C. isn't sure how solid the number is. Corinna met with the campus club and it feels disjointed and feels that they need a Lion who could come and connect with them. Corinna noted that Richard has expressed an interest in not being head of GMT.
4. GST: Cheryl didn't have a report but noted she's responded to questions that she received.
5. LCIF – Mike T – Mike hasn't been on the road, but made calls to the clubs that haven't done a Melvin Jones. Lary checked the numbers – as of this morning the donations total \$17,736 which is ahead of what we had last year at this time. Thirty-Six lions have donated and six lion clubs. This reflects only 2.3% of our members donating. Most of the donations come during convention. Ennis has put in for a skate board park; Fairfield put in for a hunger grant and it has been submitted. Mike hasn't received the grant from Seeley Lake yet. Lary talked to Corinna about using some of the emergency grant money to purchase a trailer that could be used to move equipment around to areas that have had an emergency to prepare food, etc. Corinna referred to it as an "Emergency Preparedness Trailer". Brian noted that with the IRS changes in charitable donation limits, we could make note of that when asking for donations. Lary noted that Plentywood had indicated an interest in a grant but he never heard anything else and will follow up with them.
6. Advisory Committee – Ben had nothing to report – he had a busy 4th quarter. Richard is working on a location in Big Timber for a meeting possibly February 9th (was determined that it was the "group of 6"). We need to be talking about Presidential, Leadership and Appreciation awards. Corinna noted that those recommendations are due February 13th.
7. Policy & By-Laws – Mike T has not received anything for the committee to review. Ben & Mike are working on a "flag protocol" for the conventions. Lion Cory is also working on a convention manual which would be separate from policy & by-laws. When received, it will be passed on to Jessica.

6. Old Business

- a. Club Health Assessment – December (see attached report) Corinna noted that we are still positive.
- b. Club Officer Training – Coming soon!
- c. **3rd Vice District Governor** - Recruitment concern as we need a 2nd VDG for 2026-2027. We have a hard "no" from Jerry Kuhn. He is up for a promotion that could take him out of the area. Raleigh suggested a committee. Turn the group of six into a "nominating" or "long range planning committee" for district governor candidates and convention locations. **(Highlighted in red!!)**
- d. Membership & Marketing Proposal – Corinna noted that we need a core committee. Brian reported that his club was looking for a marketing firm and was hoping to piggy back on the district's firm. The committee has three proposals, but has not had any forward motion. Raleigh was leading the charge while he was DG. He and Steve couldn't get commitments from folks to participate. We need a chair for the committee. Steve agrees and he is at capacity and can't take on that task. We need 3-5 folks to take on the task. Mike C felt that any of the top three proposals would be acceptable. Corinna noted a few members of the BGE club that might be good members. Brian noted that their club has received a proposal from a Bozeman firm and will be having a meeting on the 12th to discuss. Raleigh offered to make some time to assist.
- e. 2026 District Convention– April 17th & 18th. Jessica reported that the registration cost was set at \$110/person. They have raised \$8,500 from three sponsors. They have a few more sponsors that they

are hoping to get more funding. They have spent about \$16,000. Mike T asked about the flag ceremonies and they are going to talk to the local VFW. They are working with the Don Lawrence group for live music. They are hoping to do a couple of tours – Lake McDonald Lodge; the recently “Remodeled” Glacier Int’l Airport; and the Northwest Montana History Museum. Brian noted that Jesse Vanderbuilt with Leader Dog is coming. Raleigh said some lions from Sydney are talking about taking the train. Jessica will be working on shuttles. Dan asked about the registration form – Jessica is hoping for that within the next two weeks and, when received, Peg will create the online registration which should be live by February 1st. Dan moved and Mike C seconded to accept the \$110 for registration. Ben noted that there will be a Canadian delegation as well. Mike C confirmed that there will be club officer training on Friday morning. Lots of kudos to Jessica and her team!

7. New Business

- a. Growth meetings from October Cabinet meeting - Peggy reviewed the notes from the last cabinet meeting regarding creating a team to come up with a contest that clubs could participate in for club growth. Raleigh suggested that the 2nd Vice could head up the committee. Corinna suggested that anyone interested should sign up for the workshop by PIP Brian (see (b)). Fort Benton Leos were able to get their charter date reinstated correctly.
- b. Growth Workshop Series from PIP Brian Sheehan (see above) – Raleigh recommended sharing with the Leo Clubs and encourage participation.
- c. Peace Poster Contest Results - Corinna was excited about the submissions for the Peace poster contest. She will go to Helena on Tuesday to present the awards. There are now online contest packets available.

8. Additional Items – Open Discussion – pirateship.com is a great tool for shipping eyeglasses.

9. Next Meeting - Post Convention, Columbia Falls – Sunday, April 19, 2026 at 9:00am

10. Adjournment - Steve moved to adjourn at 1:20pm. Motion seconded by Raleigh. Motion passed unanimously
